### Aluminum Security Screen

### Sun/Pet Screen

## Additional Screen Inserts

Sun/Pet Screen, Tempered Safety Glass, and Insect Screen inserts are available separately, and can be used in conjunction with a perforated aluminum screen. Note: Perforated aluminum screens are secured into the door permanently, and are not available after the initial order.

\*Not available on Garland, Guardsman, Lizard Bar, Plain Bar, Quail Covey and Seychelles designs, all recessed mount doors, pool code handle height and all custom size double doors. Meshtec screen is the only screen available in the full view door.

# Premium Double Security Doors

## Mirrored double door designs

Double doors have a center post that is attached to the passive door, leaving no obstruction to the entryway when both doors are open. The active door (with handle) can be specified as left or right. Some single door designs are mirrored in a double door as shown below.
